Unbreakable

Jamal Al-Amin

Outside this room
No one ever sees the whole me only stronger side
But inside this heart, there is much to know
About me words cannot describe
If you look, if you really read between the lines
You will see this is just a disguise a disguise
Taking a look beyond these eyes
It'll take you right around my heart
I feel you should know, that I'm not unbreakable
It's hard for me to show the other side
Telling you but it isn't lie you
You know that I'm not unbreakable
I'm scared and frightened
Who will give this soul asylum
Protect me beyond these walls
Can't stand this breaking and falling
All of these mistakes I'm making
Finally crystallize
Now I look, I really read between the lines
Now I see, I don't need to disguise
No disguise
Taking a look beyond these eyes
It'll take you right around my heart
I feel you should know, that I'm not unbreakable
It's hard for me to show the other side
Telling you that it isn't lie you
Do you know that I'm not unbreakable
Now, there's no where else to hide
Nothing more to fight being alive, no
That I'm not unbreakable
It's hard for me to show the other side
I'm telling that it isn't lie read me you'll know
That I'm not unbreakable
You read me you'll know
That I'm not unbreakable
You read me you'll know
That I'm not unbreakable
