

# Unbreakable

## Jamal Al-Amin

Outside this room  
No one ever sees the whole me only stronger side  
But inside this heart, there is much to know  
About me words cannot describe  
If you look, if you really read between the lines  
You will see this is just a disguise a disguise  
Taking a look beyond these eyes  
It'll take you right around my heart  
I feel you should know, that I'm not unbreakable  
It's hard for me to show the other side  
Telling you but it isn't lie you  
You know that I'm not unbreakable  
I'm scared and frightened  
Who will give this soul asylum  
Protect me beyond these walls  
Can't stand this breaking and falling  
All of these mistakes I'm making  
Finally crystallize  
Now I look, I really read between the lines  
Now I see, I don't need to disguise  
No disguise  
Taking a look beyond these eyes  
It'll take you right around my heart  
I feel you should know, that I'm not unbreakable  
It's hard for me to show the other side  
Telling you that it isn't lie you  
Do you know that I'm not unbreakable  
Now, there's no where else to hide  
Nothing more to fight being alive, no  
That I'm not unbreakable  
It's hard for me to show the other side  
I'm telling that it isn't lie read me you'll know  
That I'm not unbreakable  
You read me you'll know  
That I'm not unbreakable  
You read me you'll know  
That I'm not unbreakable
