

Those Wonderful Things

Alphaville

Some days you run, run, run
You never stop and when you stop
You're too tired to think about anything.
But some day, when you finally stop,

You're able to think and wonder about your
Breathless running
And if I could have a christmas wish come true...
I would wish for nothing but (for) wonderful things

And in your life, which is so precious to me,
May troubles, worries never linger;
May they only make you stronger...
And may you rise each day with sunlight

In your heart
And success on your path
And answers to your prayers
And that smile

That I love to see
Always there
In your eyes
And if I could have a Christmas wish come true

I would wish for nothing but (for) wonderful things
And in your life, which is so precious to me,
May troubles, worries never linger;
May they only make you stronger

And able and wise
And able and wise
And able and wise
And if I could have a Christmas wish come true

I would wish for nothing but (for) wonderful things
And in your life, which is so precious to me,
May troubles, worries never linger;
May they only make you stronger

Those wonderful things
Stronger
Those wonderful things
Stronger

Those wonderful things
Stronger
Those wonderful things
