Everybody's Down

No Age

Not afraid of laughter
Sense of feeling tooAll the things they feed with dirt
Make me feel like I can't do itEverybody's down
Everybody's downIt's time to call someone to fall
But no one is aroundI'm exhausted too Roy
Fighting for two bitsMakes me feel like I can't
Makes me feel like I can't do itEverybody's down
Everybody's downIn every soul
In every townEverybody's got me goin' ooooo
A-ooooo, a-ooooo, a-oooooWe only hope when we're dead
Get no joy always hate within
