

# Jack It Up

## Ying Yang Twins

Ying Yang, Collipark  
Get back, get back  
Ladies  
Jack it up Do you like what you see?  
Bet you want a piece of me  
Do you like what you see?  
What you see, what you see  
(Hell, yeah) Do you like what you see?  
Bet you want a piece of me  
Do you like what you see?  
What you see, what you see  
(Hell, yeah)  
Collipark, come down  
And watch there motherfuckin' jaws hit the ground  
Now jack yo ass up, jack yo ass up  
Jack yo ass us, jack yo ass up Thick, thick, mamma jammies, all in there  
Booty, booty, booty, booty, rockin' everywhere  
Drunk little people they stop and stare  
Punk little people don't come in near Naked skin is all they wear  
How they knew everything is bear  
Playing with the girl, braid thier hair  
Leanin' on back in the chair Say playa you know that chick is fine  
You get that one, this one mine  
Watch you call big booty girls in line  
The march of times, the march of thine  
Chain that? s what there workin'  
Ever since the game 'bout girls been twerkin'  
The ying yang twins know that to do  
If you dance in the club they'd were out for you Do you like what you see?  
Bet you want a piece of me  
Do you like what you see?  
What you see, what you see  
(Hell, yeah) Do you like what you see?  
Bet you want a piece of me  
Do you like what you see?

 And I know this might through you off  
 But can I touch your booty and see is it? s soft?Yeah, shake that thang like a tambourine  
 Move it round and round like a washin' machine  
 Girl you know you look good to me

 Do you like what you see?  
 What you see, what you see  
 (Hell, yeah)Do you like what you see?  
 Bet you want a piece of me  
 Do you like what you see?  
 What you see, what you see  
 (Hell, yeah)
