Arrest The President

Ice Cube

Yeah
When I drop the mic
It hit the floor like Thor (That's right)
You can't pick it up no more (Don't even try)
Y'all know what it is, y'all know what it was (Yeah)
Y'all know what it shall beGet smart 'fore the shit start
'Fore it get dark, 'fore they hit you with a pitchfork
Better crip walk (Crip walk), this is real talk
Smoke Kush and push then we peel off (Eugh)
Niggas still rolling with the wheels off (Eugh)
Always looking out for the crisscross
I'm a bigger boss than Rick Ross
Always winning, nigga get lost
It's the warlord, bring the voodoo
When I bail through it's crazy like Bellevue
What they tell you? (Leave that boy alone)
Leave that boy alone
Like Home Alone (Yeah), fuck the Skull & Bones
Arrest the president, you got the evidence
That nigga is Russian intelligence (Okay)
When it rains it pours
Did you know the new white was orange?
Boy, you're showing your horns
They're trying to replace my halo with thorns
You so basic with your vape stick
Let's go apeshit in the matrix
Arrest the president
Arrest the president
Arrest the president
You got the evidence (Nigga)
Arrest the president
Arrest the president (Crazy)
Arrest the president
You got the evidenceI took back my eyes, in all black tonight
That's right, some niggas gotta sacrifice
Not a criminal (No)
I'm a seminal (Yeah)
I was free once, now I'm clinical (Crazy)
You so technical

This was Mexico
Then everywhere I go is owned by Texaco (Fuck them)
Fuck them and the rest of you (Hell yeah)
I turn a fruit into a vegetable
(Pop you motherfuckers out)
I'ma roll with the aliens
Man, fuck these homo sapiens
They don't really wanna make friends (Hell no)
All they want is a Mercedes Benz (Hell yeah)
All they want is their dividends
And decimals, fuck these citizens
They'll treat us like hooligans
Throw 'em in, they don't care what school he inThese people don't play fair
It ain't even fair at the state fair
Give a young nigga grey hair
That's why I'm here
Make your ass lay there
Punk, you better stay there
Close your fucking eyes like it's day care
Make myself clear, it ain't Shakespeare
I'm here to take money even fake hair
So desperate is what I'm left with
For the record you're affected
Who you elected is so septic
So full of shit, I can't accept itArrest the president (Woo)
Arrest the president (Woo)
Arrest the president
You got the evidence (Nigga)
Arrest the president (Nigga)
Arrest the president (Nigga)
Arrest the president
You got the evidence (Nigga)
Arrest the president (Nigga)
Arrest the president (Nigga)
Arrest the president
You got the evidence (Nigga)
Arrest the president (Nigga)
Arrest the president (Nigga)
Arrest the president
You got the evidenceI reside on the Westside (Westside)
I murder with my third eye (Third eye)
Niggas so fly, get a bird's eye (Ahh, ahh)
I make 'em scream bloody murder
Let's meet at the White House (Come on)
Run in and turn the lights out

Man, they treat it like a trap house (Yeah)
These motherfuckers never take the trash out (Damn)
They just cash out and mash up
Nigga take your drugs and pass out (Shut the fuck up)
Niggas love to go that fast route (Yeah)
I see you and your black ass, get out
Homie, you play too much (Yeah)
White devils, they doing way too much (Much)
Most of 'em won't sleep too much
Why they're steady planin'?
God knows what (God knows what)
That's why I roll with the real ones
Real ones trying to reach millions
Real ones trying to make billions
Real ones dressed like civiliansArrest the president

You got the evidence (Woo)
