

# Struggle No More (Main Event)

Anthony Hamilton, Jaheim & Musiq Soulchild

(feat. Jaheim, Musiq) Ooh I'm Ooh I'm (sick and tired sick and tired) Ooh I'm  
Ooh I'm Ooh I'm (sick and tired sick and tired) Ooh I'm  
Ooh I'm Ooh I'm (sick and tired sick and tired) Ooh I'm  
Ooh I'm Ooh I'm (sick and tired sick and tired) Ooh I'm Lately It's been hard times  
I'm talking about them  
Financial ones aside  
And they say when it rains it pours  
Well it's running at my door  
If it ain't one thang (one thang) it's another  
And I'm so glad that we got each other  
I'm so sick and tired of being stressed out  
Lord please help me from this mess I'm in Lord lift me over the hurt and pain  
Deliver me from the rain  
See I don't wanna stress over stress no more  
I don't wanna strug-gle no more  
So lift me up over the hurt and pain  
Deliver me from the rain  
See I don't wanna stress over stress no more  
I don't wanna strug-gle no more  
Every day every night I pray  
Lord help me find the way (help me find my way)  
To stay strong  
And to keep my sanity  
So I can provide for myself  
And for my family  
I'm so glad they believe in me cause the love it gives me energy (said the love gives me energy)  
And with out them I couldn't make it no way  
So I'ma keep pressing on on and on  
Lord lift me over the hurt and pain  
Deliver me from the rain  
See I don't wanna stress over stress no more  
I don't wanna struggle no more  
So lift me up over the hurt and pain  
Deliver me from the rain  
See I don't wanna stress over stress no more  
I don't wanna struggle no more  
I wanna see my family  
Get what they want have what they want get what they need  
(I wanna see the finer things like the? just reminding me)

I don't wanna strug-struggle no more  
I don't wanna live out here broke  
(Stay on the scene with the finer things, like the spot that I got that's reminding me) Lord lift me over the hurt  
and pain  
Deliver me from the rain  
See I don't wanna stress over stress no more  
I don't wanna struggle no more  
So lift me up over the hurt and pain  
Deliver me from the rain  
See I don't wanna stress over stress no more  
I don't wanna struggle no more No more no more no more  
No more no more no more  
No more no more no more  
No more no more no more
