

# Campaign of Hate

## The Libertines

There's a campaign of hate  
Its waiting at the school gates  
For what I am not aware  
Whisper what you wrote  
What you write, you swore and you swear

Now remember why you came  
Not to play follow the leader, no no

Poor kids dressing like they're rich  
Rich kids dressing like they're poor  
White kids talking like they're black  
I tried it with Charlene  
And I spent three days on my back

But she said baby  
I like the cut of your J.I.B.  
Don't believe them when they say  
That you don't get nothing for free
