

Prince of Peace

Hillsong UNITED

My heart of stone; clouds raging deep within
The Prince of Peace came bursting through the wind
The violent sky held its breath
And in Your light I found rest
Tearing through the night, riding on the storm
Staring down the fight, my eyes found Yours
Shining like the sun, striding through my fear
The Prince of Peace met me there
You heard my prayer
Hope like the sun; light piercing through the dark
The Prince of Peace came, broke into my heart
The violent cross, the empty grave
And in Your light I found grace
Tearing through the night, riding on the storm
Staring down the fight, my eyes found Yours
Shining like the sun, striding through my fear
The Prince of Peace met me there
You're always there
You've been hearing my prayer
Your love surrounds me when my thoughts wage war
When night screams terror, there Your voice will roar
Come death or shadow, God I know Your light will meet me there
When fear comes knocking, there You'll be
my guide
When death brings trouble, there You hold my heart
Come storm or battle, God I know Your peace will meet me there
Again Oh, be still my heart
Know that You are God
No fear, no evil
For I know You are here
And my soul will know:
Your love surrounds me when my thoughts wage war
When night screams terror, there Your voice will roar
Come death or shadow, God I know Your light will meet me there
And my soul will know:
When fear comes knocking, there You'll be my guide
When death brings trouble, there You hold my heart
Come storm or battle, God I know Your peace will meet me there
Oh, be still my heart
My soul will ever know that You are God
And You heard my prayer
