# Psalm 121

## Ari Lesser

To the mountains I lift my eyes
From where will my help arise
Lord on you I do rely
The maker of the earth and Sky

You won't let me loose my feet
My guardian You never sleep
Behold You are not a sleeper
There's no nap for Israel's keeper

Lord You watch I cannot hide
You're like the shadow at my side
None will arm me in the light
Of day nor by the moon at night

Lord You keep me safe and strong
And guard my soul from all that's wrong
Lord You're always watching me
Come and go eternally
