

The Better It Feels Today

Sweet Spirit

The better it feels today;

the more it's gonna hurt tomorrow.I need another heart to borrow,
when you've taken mine away.You're so care free; you'll always be above me.You're so ADD; you'll forget
you love me.Gotta help me out now; be quiet if you miss me.The way this thing is going, you'll kill me if you
kiss me.The better it feels today;

the more it's gonna hurt tomorrow.I need another heart to borrow,
when you've taken mine away.Didn't notice you were pretty, didn't notice you were tall.Darling it's a pity, that
I noticed you at all.Gotta help me out now; be quiet if you miss me.The way this thing is going, you'll kill me if
you kiss me.

The better it feels today;

the more it's gonna hurt tomorrow.
