

Playing for Keeps

Switchfoot

Do me a favor
Would sing this to me slow?
'Cause I'm thinking it's my songDo me a favor
Would you tell me when to let go?
'Cause I think I'm holding onWould you do it for me?
Would you do it for me?
'Cause I'm playing for keepsTell me tomorrow has come
With open arms, open arms, open arms
'Cause if you say it's time to move on
Then I'll stop holding on, holding on
If you say that it's time for moving on
Yeah, time for moving on, yeahDo me a favor
Would you tell me which way's up?
'Cause I don't know where I fitDo me a favor
Would you tell me when to stop?
'Cause I don't know how to quitWould you do it for me?
Would you do it for me?
'Cause I'm playing for keepsTell me tomorrow has come
With open arms, open arms, open arms
If you say it's time to move on
Then I'll stop holding on, holding on
If you say that it's time for moving on
Yeah, time for moving onDo me a favor
Do me a favor
'Cause I'm playing for keepsTell me tomorrow has come
With open arms, open arms, open arms
'Cause if you say it's time to move on
Then I'll stop holding on, holding on
If you say that it's time for moving on
Yeah, time for moving on, yeah, time for moving on
