

# When You See the Tears from My Eyes

**Buddy Guy & Junior Wells**

Hey!

Hey now! When ya see tears comin' from my eyes

    Oh yes, oh yes people, yes I could cry

    Oh I know you see those big tears come from my eyes

From the bottom of my heart, baby you know I can cry You know my mother told me when I was a little boy  
She said, 'Someday son, you will have the reason why' You know why? I lay awake at night because of love

    Lord I have so much trouble

    I lay awake, I lay awake at night because of trouble

        Because of so much trouble

    People I just can't, I just can't sleep no more

    All the critters have come to keep me company

    You know there's a lonesome wind blowin' around my door
