

Soul Society

Kamelot

If my soul could revive from my carnal remains
What does it matter to me
If it all fades to black
If I'm born once again
Then no one really is freeHow could I be condemned for the things that I've done
If my intentions were good
I guess I'll never know
Some things under the sun can never be understoodHow can we believe in heaven
Human reason counters all
Ideas of a soul society
My life is just a fragment of the universe and all
There must be more that I can seeIn the dark we're the same
In the concept of time
We're like a grain in the sand
And we strive for the flame
As if death was our aim
Cause we cannot understand
