

I Don't Wanna Die

Gumbo Red

I don't wanna die
I don't wanna die
I don't wanna die
So you're gonna have to
I don't wanna die
I don't wanna die
No, I don't wanna die
So you're gonna have to
Blood is getting harder
Body's getting colder
I've told you once
I'm the only one who holds her
I don't wanna die
I don't wanna die
I don't wanna die
So you're gonna have to
I look inside of myself
And try to find someone else
Someone who's willing to die
Instead of watching you cry for help
I know that blood will be spilled
And if you won't, then I will
My grave will never be filled
It's either kill or be killed
So let heaven be told
That some may come some may go
Where I'll end up, I don't know
But I ain't dying alone
I keep on asking the question
"Can I be saved by confession?"
You see this blood on my hands
At least there's no reaching to heaven
I gotta pick up the pieces
I gotta bury them deep
And when you look in my eyes
I'll be the last thing you'll see
I don't wanna die
I don't wanna die
I don't wanna die

So you're gonna have to
I don't wanna die
I don't wanna die
No, I don't wanna die
So you're gonna have to
Blood is getting harder
Body's getting colder
I've told you once
I'm the only one who holds her
I don't wanna die
I don't wanna die
I don't wanna die
So you're gonna have to
Hurt turned into blood
And the blood keeps on pouring
From every pour I wipe it up
This is just to be demoted
Now someone started dying
Now my only opponent
'Cause I will watch my baby cry
So I keep on just going
Am I a man or a beast?
Just for the nature at least
Watch humanity cease
'Cause it's our human disease
You gotta kill when you gotta kill
Yeah, that's what they say
And I can go against God's will
You better pray
'Cause I'm an angel, a demon
Yeah, I'm hell and I'm heaven
I'm everything you couldn't be
Now you believe in the devil
I gotta pick up the pieces
I gotta bury them deep
And when the dark hits the coffin
Just go to sleep
I don't wanna die
I don't wanna die
I don't wanna die
So you're gonna have to
I don't wanna die
I don't wanna die
No, I don't wanna die
So you're gonna have to

Blood is getting harder
Body's getting colder
I've told you once
I'm the only one who holds her
I don't wanna die
I don't wanna die
I don't wanna die
Now that I see, I see you buried six feet below
Another life goes into the night
I couldn't let him breathe
'Cause I didn't wanna die
Now that I see, I see you buried six feet below
It's not alright, can't you hear me as I cry
I couldn't let you live
'Cause I didn't wanna die
I don't wanna die
I don't wanna die
No, I don't wanna die
Wanna die
I don't wanna die
I don't wanna die
I don't wanna die
So you're gonna have to
I don't wanna die
I don't wanna die
No, I don't wanna die
So you're gonna have to
I don't wanna die
I don't wanna die
So you're gonna have to
I don't wanna die
I don't wanna die
