dismantle me

Citizen 16

I fancy you but I've been destitute
And all I know dissolved, I could never re-undo you
I will always say it's so, I will always speak the truth
Descend into a noose, I could never re-undo youI want to bury you
I want to bury youVultures circle around
Feathers float, wings flap, beaks pound
And though my hearts exposed
I could never re-undo youI will always bleed the truth
I will always speak it new
And know I was sent to cut you loose
I will never re-undo youI want to bury you
I want to bury you
I want to bury you
I want to bury youDismantle me
Dismantle me
Dismantle me
Dismantle meAnd Its warm and humid on Swanston Street
And the air is filled with electricity
And the sky is deeper than a dream
And the sky is deeper than aDismantle me
Dismantle me
Dismantle meAnd the sky is deeper than a dream
And the sky is deeper than a dream
And the sky is deeper than a dream
