

Satan

[Diana Jones](#)

Satan took me to the mountain, he took me by the hand
showed to me the riches beneath us through the land
and if I would but follow his lead in everything
all earthly pleasures gathered up unto me he would bring
Get thee behind me, do not show your face
Get thee behind me, Satan leave this place
Satan led me to the temple, he raised me there on high
said if you be the son of God surely you can fly
cast yourself into the air and call your angels down
command their hands to bear you up from falling to the ground
Get thee behind me, do not show your face
Get thee behind me, Satan leave this place
Forty days and forty nights my soul and body bare
he came into the wilderness and found me hungry there
bid your power o'er heaven and earth his serpent tongue did say
and turn these cliffs of stone to bread and feast this very day
Get thee behind me, do not show your face
Get thee behind me, Satan leave this place
Get thee behind me, do not show your face
Get thee behind me, Satan leave this place
