

Apple of Sodom

Marilyn Manson

I've found the center of fruit is late
It is the center of truth today
I cut the apple in two
Oh, I pray it isn't true I've found the center of fruit is late
Is the center of truth today
I cut the apple in two
Oh, I pray it isn't true I've got something you can never eat
I've got something you can never eat
I've got something you can never eat
I've got something you can never eat I've drained my heart
I've burned my soul
I've trained the core to stop my growth
I pray to die in space To cover me in snow
To cover me in snow
Cover me in snow
(I'm dying, I hope you're dying too)
Cover me in snow I'm dying, I hope you're dying too
I'm dying, I hope you're dying too
I'm dying, I hope you're dying too I'm dying, I hope you're dying too
I'm dying, I hope you're dying too
I'm dying, I hope you're dying too
I'm dying, I hope you're dying too Take this from me
Hate me, hate me
Take this from me
Hate me, hate me 1, 2, 3, he is a speed bump mannequin
1, 2, 3, he can't move just stand still
1, 2, 3, he is a speed bump mannequin
1, 2, 3, he can't move just stand still I've got something you can never eat
I've got something you can never eat
I've got something you can never eat
I've got something you can never eat I've got something you can never eat
I've got something you can never eat
I've got something you can never eat
I've got something you can never eat I've got something you can never eat
I've got something you can never eat
I've got something you can never eat
I've got something you can never eat
