Sell Your Soul (live)

Hollywood Undead

I'm holding on so tightly now
My insides scream so loud
They keep watching, watching me drown
How did it come to this?
How did it come to this? How did I know it was you?
It was a bad dream asphyxiated, watch me bleed
The life support was cut, the knot was too tight
They push and pull me but they know they'll never win
?Throw it all away, throw it all away?, I keep on screaming
But there's really nothing left to say
So get away, just get away, I keep on fighting
But I can't keep going on this way
I can't keep going, can't keep going on like this
They make me sick and I get so sick of it
'Cause they won?t let me, they won?t let me breath
Why can't they let me be?
Why can't they let me be? Why don't I know what I am?
I force this hate into my heart 'cause it's my only friend
My lips are sewn shut, I watch myself bleed
They push and pull me and it's killing me within
?Throw it all away, throw it all away?, I keep on screaming
But there's really nothing left to say
So get away, just get away, I keep on fighting
But I can't keep going on this way
I can't keep going, can't keep going on this way
I can't keep going, can't keep going on this way
My heart beat stumbles and my back bone crumbles
I feel, is it real as the lynch mob doubles?
They want blood and they'll kill for it
Drain me and they'll kneel for it
Burn me at the stake, met the devil, made the deal for it
Guillotine dreams, yeah their guillotine gleams
The blood of their enemies watching while they sentence me
Sentencing ceased, sentence deceased
And watch them bask in the glory of their holy disease
?Throw it all away, throw it all away?, I keep on screaming
But there's really nothing left to say
So get away, so let?s just get away, I keep on fighting
But I can't keep going on this way

I keep on running, I keep on running
I keep on running but I can't keep going on this way
I keep on running, I keep on running
I keep on running but I can't keep going on this way
