## Britney Spears

Heart

I know I've been hard on you  
I'm sorry for the things I put you through  
Before you start to break on me

Or ask for sympathy

I need to make you see Oh heart  
I'm not sure it's been long enough  
To say what I feel is really love

There is just one way to learn

Sometimes we'll get hurt

And right now it's our turn Give it time

Help me through

Heart we can do this together You're my strength

You're my soul

I need you now more than ever Heart

All the hurt will soon be gone

If you, if you'll just keep on being strong

You will always be my friend

So keep on hanging in

And we'll find love again Give it time

Help me through

Heart we can do this together You're my strength

You're my soul

I need you now more than ever Heart

I know I've been hard on you

I'm sorry for the things I've put you through

Please don't you break on me

I need to make you see

It wasn't meant to be

'Cause you will always be my friend

So keep on hanging in

And we'll find love again [Spoken]

"So Amanda, whatcha guys do on your date last night?"

"Oh he was so sweet. He took me to eat and brought me roses." (Aw..)

"And then we went back to his house and watched movies."

"You went back to his house?" "Did you guys kiss?"

"I'm not telling you that!" (laughter)

"Oh my god, you did!"

"Shhh...oh my god." "Look at that guy."

"He's so cute."  
"And he's looking over here."  
"Be quiet. Gotta be cool." "Go talk to him."  
"No...I'm too nervous."
