Hey Friend

JEFF the Brotherhood

I've been thinking about your mom, You can't tell me if it's really wrong
It's been going on for way too long, I can't help it if I am happy when she is around

I've been thinking about your dad, You can't tell me if it's really bad
But he's so cool and I think he raised you so well, I can't help it if I am happy when he is around

I've been thinking about your sister, You can't tell me if i should've kissed her
But she's so cute and I've always had a little crush, I can't help it if I am happy when she is around
