Don't Forget

Demi Lovato

Did you forget that I was even alive?
Did you forget everything we ever had?
Did you forget, did you forget about me?Did you regret ever standing by my side?
Did you forget we were feeling inside?
Now I'm left to forget about usBut somewhere we went wrong
We were once so strong
Our love is like a song, you can't forget itSo now I guess this is where we have to stand
Did you regret ever holding my hand?
Never again, please don't forget, don't forgetWe had it all, we were just about to fall
Even more in love, than we were before
I won't forget, I won't forget about usBut somewhere we went wrong
We were once so strong
Our love is like a song you can't forget itSomewhere we went wrong
We were once so strong
Our love is like a song, you can't forget it at allAnd at last all the pictures have been burned
And all the past is just a lesson that we've learned
I won't forget, please dont forget usSomewhere we went wrong
Our love is like a song but you won't sing along
You've forgotten about us
Dont forget
