

# Track 9

## Shawn Mendes

[Chorus]

I hear that I hurt you  
But I gotta be honest  
Can't give you what you need  
You deserve more than I can promise  
I'm just tryna, I'm just tryna baby  
I'm just tryna be honest  
I'm just tryna be honest with you  
You know that I'm sorry  
But I'm tryna be honest with you[Verse 2]  
Hey, can you listen?  
I swear to god to you, there's nobody else  
Your gonna say that I'm lying  
When I tell you every feeling I felt  
Was honest and sincere and that you were different  
And when we kissed I felt like that kid in love

Yaaa

And I know that I'll probably regret it  
I'm wishing never said that all[Chorus]

I hear that I hurt you  
But I gotta be honest  
Can't give you what you need  
You deserve more than I can promise  
I'm just tryna, I'm just tryna baby  
I'm just tryna be honest  
I'm just tryna be honest with you  
You know that I'm sorry  
But I'm tryna be honest with you
