

Sailing On the Seven Seas

Orchestral Manoeuvres In the Dark

You say that love will capture me
Not unless you give it freeYou're sailing on the seven seas
Sister Rae is on TVThe light above, it shines so bright
That the F.B.I. won't sleep tonight'Cause I'm so in awe of you
That I don't know what to do
And I'm sailing on the seven seas so blueSick and tired, I don't know why
Skin and bones, touch the skySex and lies, can't bring me down
'Cause I sold my soul all over townAnd I'm so in awe of you
That I don't know what to do
And I'm sailing on the seven seas so bluePeople try to drag us down
So we learn to swim before we drown'Cause I'm so in awe of you
That I don't know what to do
And I'm sailing on the seven seas so blueAnd I'm so in awe of you
That I don't know what to do
And I'm sailing on the seven seas so blue
