

# Until The End (feat. Foxes)

## Sub Focus

Until, until the end  
Promise of a faith unbroken  
Into, into the night  
Setting of our hearts, our young souls Don't fear, don't fear the end  
Nothing's gonna change while we sleep  
Embrace, embrace the sense  
The sense of letting go of something At the end of every bright day  
Let the sun move on and make way  
Let the sun of every new hope  
Let the daylight into your home Until, until the end  
Promise of a faith unbroken  
Into, into the night  
Setting of our hearts, our young souls At the end of every bright day  
Let the sun move on and make way  
Let the sun of every new hope  
Let the daylight into your home Oh-oh-oh, oh-oh-oh-oh Until, until the end
