

Burn In Me

Open Heaven

Verse 1

I'm on my knees, giving You all
All of me
Surrender my life, a living sacrifice
I can't live unless I'm living for You
I won't quit, I'll be burning for You
Burn in me as I burn for You
Holy fire, come consume
Burn in me, this is my heart's cry
Come consume me with Your holy fire
Burn in me

Verse 2

I lift my hands
My life for Your plans
Lord, I pray
I'm letting go, seeking Your will
I'm on my face
