

Tiptoe

Robert James Bruce

In the morning light let my roots take flight
Watch me from above like a vicious dove
They don't see me come, who can blame them?
Never seem to catch my eye but I never wondered why
I won't fall asleep
I won't fall asleep
Higher, don't let 'em know we're coming
Higher, tiptoe higher
Take some time to sip it down, keep your head down low
Higher, tiptoe higher
From your slender dream see the morning dew
Sink into the soul, watch the water go
They won't see me run who can blame them?
They never know if they see me fly, so I never have to run
I won't fall asleep
I won't fall asleep

Higher, don't let 'em know we're coming
Higher, tiptoe higher
Take some time to sip it down, keep your head down low
Higher, tiptoe higher
Nobody else, nobody else
Nobody else, can take me higher
Nobody else, can take me higher
Nobody else, can take me higher
Nobody else..
Higher, don't let 'em know we're coming
Higher, tiptoe higher
Take some time to sip it down, keep your head down low
Higher, tiptoe higher
Higher, don't let 'em know we're coming
Higher, tiptoe higher
Take some time to sip it down, keep your head down low
Higher, tiptoe higher
