

You Are I Am

Mercyme

Iâ€™ve been the one
To shake with fear
And wonder if
Youâ€™re even here

Iâ€™ve been the one
To doubt Your love
Iâ€™ve told myself
Youâ€™re not enough

Iâ€™ve been the one
To try and say
Iâ€™ll overcome
By my own strength

Iâ€™ve been the one
To fall apart
And start to question
Who You are

Youâ€™re the one who conquers giants
Youâ€™re the one who calls out kings
You shut the mouths of lions
You tell the dead to breathe
Youâ€™re the one who walks through fire
You take the orphanâ€™s hand
You are the one Messiah
You are I am

Iâ€™ve been the one
Held down in chains
Beneath the weight
Of all my shame

Iâ€™ve been the one
To believe
That where I am
You cannot reach

Youâ€™re the one who conquers giants

You are the one who calls out kings
You shut the mouths of lions
You tell the dead to breathe
You are the one who walks through fire
You take the orphan's hand
You are the one Messiah
You are I am
You are I am

The veil is torn
And now I live
With the spirit inside
The same one
The very same one
Who brought the son
Back to life

Hallelujah, He lives in me
Hallelujah, He lives in me
Hallelujah, He lives in me
Hallelujah, He lives in me

You are the one who conquers giants
You are the one who calls out kings
You shut the mouths of lions
You tell the dead to breathe
You are the one who walks through fire
You take the orphan's hand
You are the one Messiah
You are I am
(Hallelujah, He lives in me)
You are I am
(Hallelujah, He lives in me)
