

# You Broke My Heart

Alexandra Burke

You know that I would follow you  
To the end of the Earth  
And maybe I was kinda bold  
You shouldn't know my words I was waiting for the time to remind you  
You were in love  
What I gave was so incredible  
But it was never enough You took my love  
And broke my heart  
You took my smile  
And tore it apart  
You left me crying  
Down on the floor  
The funny thing is  
I still want more  
If only you love me like I wanted you to  
But you trick me into loving you  
You tore me apart  
You broke my heart You charm me with your little ways  
You knew the buttons of praise  
And you said I was your everything  
But boy you couldn't care less  
And you said we'd be together forever  
Now look what you've done What I gave was so incredible  
But it was never enough You took my love  
And broke my heart  
You took my smile  
And tore it apart  
You left me crying  
Down on the floor  
The funny thing is  
I still want more  
If only you love me like I wanted you to  
But you trick me into loving you  
You tore me apart  
You broke my heart All that I needed  
Was someone to hold me  
And all that I wanted  
Was someone to show me  
Just what it is to be loved

And I hoped that someone was youOohYou took my love

And broke my heart

You took my smile

And tore it apart

You left me crying

Down on the floor

The funny thing is

I still want more

If only you love me like I wanted you to

But you trick me into loving you

You broke my heart

You broke my heart

You tore me apart

You broke my heart

You broke my heart
