

"Invincible"

MGK

Voices in the air
I Hear it loud and clear
Telling me to listen.
Whispers in my ear
Nothing can compare
I just want to listen As My world turns
The heart beats
Not only in my chest
But the heart in these streets
So when they feel this, they feel me
But I can't feel nothin', outside these dre beats I am from the city of evil, came from the bottom
Standing on top of what was supposed to be my coffin, whats up?
Inception shows me as a dead man walkin', but reflections shows this kid's still got it
Let it be known I got the throne like I don't know that there's a king
Never grew up around a family because I'm not a human being
And anyone under my level thats coming at my spot for the top
Let them have it, cause when I leave, the whole world drops
Lace up Kells I hear voices in the air
I hear em loud and clear
Telling me to listen
Whispers in my ear
Nothing can compare
I just want to listen
Telling me I am Invincible (3x) - oh oh
Telling me I am Invincible (3x) - oh oh I am Waking up sweatin from the stress of being caged down
Everything I write is played out like what is this ?
Tear the whole page out
Man I come from holes in the wall but they dont know the past
Even if I told them it all, they wouldn't know the half
So maybe I fill up my luggage with all of these dreams and put on my black coat and my black chucks and
nothing in my jeans
And just run, till the day comes like Rockys movie scene
And Im on top of the world, look up and scream like this is me, this is Kells
Crucified by the public without the nails
Do or die in my city but clearly I never failed
Lost myself in the game when I found myself in a cell
Then I found myself in the fame when I lost myself in the pills
And you cannot mess with me still , seen them boys and they winnin
Underdogs of the year Cleveland boys in the buildin'

What the fuck is a ceiling Im taking this to the top, and when I leave the whole world drops

Lace Up KellsI hear voices in the air

I hear em loud and clear

Telling me to listen

Whispers in my ear

Nothing can compare

I just want to listen

Telling me I am Invincible (3x) - oh oh

Telling me I am Invincible (3x) - oh oh I am.....
