Missing

Eliza Doolittle

Shu-doo-doo-doo
Dam-dam, dam-du-dam, doo-bee-doo
Dam-dam, dam-du-dam, doo-bee-doo
Dam-dam, dam-du-dam, doo-bee-doo
Dam-dam, dam-du-dam, doo-bee-doo
I am Doolittle but I do a lot
I try to do the best with what I've got
Sometimes nobody notices at all
If I stood on a chair, I'd be taller
I know there's a million people like me
I'm sure a kick up the bum's all we need
We plan but it never comes true
All I need is somebody like you
Because I'm missing can you find me
I can't afford a big reward but, baby, I'm reliable
I'll never go
If you find me, find me, find me, find me
Because I'm missing how you find me
If anybody has a key to spare a little dream for me
I'll let it be
If you find me, find me, find me, find me
When I fall nobody helps me up
And when I call nobody's pickin' up the phone
It seems they won't even throw me a bone
I'm stickin' my face on a lamppost
So if you see me in your favorite spot
Just remember I could give you a lot
'Cause I stray in whatever I do

All I need is somebody like you
Because I'm missing can you find me
I can't afford a big reward but, baby, I'm reliable
I'll never go
If you find me, find me, find me, find me
Because I'm missing how you find me
If anybody has a key to spare a little dream for me
I'll let it be
If you find me, find me, find me, find me
I gotta get up

I gotta get up
I gotta get up
I gotta get up
So when you see me in your favorite spot
Just remember I could give you a lot
I came to see you when there's no use pretendin'
Let's hope it's a happier ending
Because I'm missing can you find me
I can't afford a big reward but, baby, I'm reliable
I'll never go
If you find me, find me, find me, find me
Because I'm missing how you find me
If anybody has a key to spare a little dream for me
I'll let it be
If you find me, find me, find me, find me
Dam-dam, dam-du-dam, doo-bee-doo
Dam-dam, dam-du-dam, doo-bee-doo
Dam-dam, dam-du-dam, doo-bee-doo
