

I Will Refuse

Soulfly

Born as a blank page
We must pick and choose
 Our destinations and
 The paths we'll use
What shall we say is sacred
 What will be abused
 It's no wonder
 The world is confused
 Murder and weather
 Is our only news
I will refuse! Your offer is tempting
 But it's not what it seems
 You take advantage
 Of everyone else's dreams
You create the perfect picture
 By dressing up the scene
 Trust our hopes and lives
 To your death machines
Your point is not well taken
Because that's not what it means
 I will refuse
