Waves

Holly Miranda

I've watched you walk so many times
Of all the years that made us blind
Why you, why you let it all
Be like some prison in your mind?It doesn't need to be
It doesn't need to beSo where do the waves go, my love?
Where do the waves go, my love?Solid or liquid, I don't know
I don't know, I don't know, I don't know
Solid or liquid, I don't know
I don't know, I don't knowAnd you must speak your life into existence
This intent is so much more
Than just a means to end all of this suffering
This needless pain that stains your faceAnd it doesn't need to be
It doesn't need to beSo where do the waves go, my love?
Where do the waves go, my love?Solid or liquid, I don't know
I don't know, I don't know
Solid or liquid, I don't know
I don't know, I don't knowOoh, ooh, we wait so long, babe
To become just one heartOoh, ooh, we wait so long, babe
To become just one heart
