

Cornbread

Dillinger

[Sean sings:] Maybe I'm a cornbread straight motherfucker

Maybe I'm a worn out featherless hand

Maybe I'm a cornbread straight motherfucker

Maybe I'm a worn out featherless hand

Or maybe I'm just picking seed from the wrong one and

[Both sing:] I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

No?

[Sean sings:] La dada da da-da da

(Oh, oh, oh, oh, oh, oh, oh, oh)

La dada da da-da da

(Oh, oh, oh, oh, oh, oh, oh, oh)

Maybe I'm a one horse town motherfucker

Maybe I'm used up worn out man

Maybe I'm a one horse town motherfucker

Maybe I'm used up worn out man

Or maybe I'm just barking up the wrong tree and

[Both sing:] I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

[Sean sings:] You spend all your life
Dicking at, dicking away at the wrong life
You're a traitor!
(Oh, oh, oh, oh, oh, oh, oh, oh)
You're a traitor!
(Oh, oh, oh, oh, oh, oh, oh, oh)
You spend all your time
Dicking at, dicking away at the wrong life
You're a traitor!
(Oh, oh, oh, oh, oh, oh, oh, oh)
You're a traitor!
(Oh, oh, oh, oh, oh, oh, oh, oh)

[Both sing:] Maybe I'm a spineless
weak-kneed
yellow bellied he she
Maybe I'm an undercover deadbeat
Suffering cold feet
Maybe I'm a spineless
weak-kneed
yellow bellied he she
Maybe I'm an undercover deadbeat
Suffering cold feet
Or maybe I'm just shooting with the wrong gun and

[Both sing:] I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

Oh

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

Oh

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

Oh

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

Oh

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

No
