First Come, First Serve

Ramon Morris

Life turned to love
Now love is about to turn into hate
You ask me, "Can we try it again"
Boy, let me tell you somethin'
Our road has come to an end, huh
First come, first serve
Hey, you don't want my love
So I'm givin' it away
First come, first serve
And if it hurts your pride
Boy, you get what you deserve
Boy, tell the truth, did it ever occur to you
That I have wants, desires and needs too?
While you were out there roamin'
And homin' the streets
I sat home lonely, night after night
In desperate need, oh
First come, first serve
Hey, you don't want my love
So I'm givin' it away
First come, first serve
And if it hurts your pride
Boy, you get what you deserve, oh
Hey
Boy, I want you to know
That I'm a-through talkin'
Now get out my way
So I can get my things and start walkin'
Conversation ain't what
What I need, no, no
In case you want to know
I'm takin' it to the streets, oh
First come, first serve
Tell the truth, boy
You don't want my love
So I'm givin' it away
First come, first serve
And if it hurts your pride
Boy, you get what you deserve, uh huh

First come, first serve, ain't it true
You don't want my love
So I'm givin' it away
First come, first serve
And if it hurts your pride
Boy, you get what you deserve, oh
First come, first serve
Hey, you don't want my love
So I'm givin' it away
First come, first serve
And if it hurts your pride
Boy, you get what you deserve, I'm movin' on
First come, first serve
I'm movin' on, I'm movin' on
Bye bye, baby
First come, first serve
