

# I'd Rather Live Than Die

## D-A-D

I've seen the fruits of rambling  
I know hardship well  
And if I'm not mistaken  
I hear a ringing bell  
I love to start but hate the ends  
I crack a joke 'coz I know I need my friends  
Do a lot of talking  
But seldom with my heart  
It hurts when people tell me  
I often play to smart  
But sometimes I'm happy  
And sometimes I'm blue

You know, I'm only passing throughA look to the sky is the reason why  
I'd rather live than die  
If heaven can wait I know I'll get by  
I'd rather live than dieI always say yes  
Though I mean no  
Remember to draw a circle  
And then I'll know  
Sometimes I'm happy  
Sometimes I'm blue

You know, I'm only passing throughA look to the sky is the reason why  
I'd rather live than die  
If heaven can wait I know I'll get by  
I'd rather live
