

# Prince Charming

## Skins The Soundtrack

Prince Charming can you rescue me?  
Are you real?  
Can you make me feel, feel unreal?  
Prince Charming  
Oh yeah oh ah oh  
Prince Charming  
Rides a great white horse, not a Greyhound bus  
He's a gentleman, not a hip-hop thug  
See him in my dreams, hate when I wake up  
Still holding on, people think I'm nuts but  
But soon he'll come and call for me  
And take me from reality  
Prince Charming can you rescue me  
Are you real?  
Can you make me feel, feel unreal?  
Prince Charming, I believe in you  
Fairy tails can come true  
So I will wait for you  
Prince Charming  
Oh yeah oh ah oh  
Tell me how I'll know  
Does he wear a crown?  
Haven't found him yet  
Must be out of town  
Heart made of gold  
Body like a rock  
Likes to serenade  
Maybe even smart  
And I will wait with just one kiss  
The poison soon right from my lips  
Prince Charming can you rescue me?  
Are you real?  
Can you make me feel, feel unreal?  
Prince Charming, I believe in you  
Fairy tails can come true  
So I will wait for  
Prince Charming can you rescue me?  
Are you real?  
Can you make me feel, feel unreal?

Prince Charming, I believe in you  
Fairy tails can come true  
So I will wait for you  
I will wait for you  
Oh yeah oh ah oh  
You  
Oh yeah oh ah oh  
You  
Prince Charming  
Oh yeah oh ah oh  
Ooh ohh  
Oh yeah oh ah oh  
Can you rescue me, Prince Charming  
Ooh, can you rescue me?  
Ohh  
Can you rescue, can you rescue, can you rescue me?  
Can you rescue me, Prince Charming  
Ooh, can you rescue me?  
Ohh  
Can you rescue, can you rescue, can you, can you, can you, can you?  
Prince William, where you at, where you at?  
Matt Damon, where you at, where you at?  
Kobe Bry, where you at, where you at?  
Romeo, say where you at, where you at?  
Romeo, say where you at, where you at?  
Leo DiCaprio, where you at, where you at?  
Sisqo, where you at, where you at?  
Romeo, say where you at, where you at?  
Prince Charming can you rescue me?  
Are you real?  
Can you make me feel, feel unreal?  
Prince Charming I believe in you  
Fairy tales can come true  
So I will wait for you  
Prince Charming can you rescue me?  
Are you real?  
Can you make me feel, feel unreal?  
Prince Charming I believe in you  
Fairy tales can come true  
So I will wait for you  
Romeo, Romeo, where you at, where you at?  
Romeo, Romeo, where you at, where you at?  
Romeo, Romeo, where you go?  
Prince Charming I believe in you  
So I will wait for you
