## **Emerson, Lake & Palmer**

Jeremy bender was a man of leisure, took his pleasure in the evening sun  
Laid him down in a bed of roses, finally decided to become a nun.Talk with the sister, spoke in a whisper,  
threatened to fist her if she

Didn't come clean

Jumped on the mother just like a brother asked one another if the other is  
A queen.Diggin' the sister she was a mister shouldn't have kissed her, but he  
Couldn't say no

Wanted to leave her couldn't believe her, so he picked up his suit-case and  
Decided to go.
