Life's About To Get Good

Shania Twain

I wasn't just broken, I was shattered
I trusted you so much, you were all that mattered
You no longer love me and I sang like a sad bird
I couldn't move on and I think you were flatteredOh! Life's about joy
Life's about pain
It's all about forgiving and the will to walk away
I'm ready to be loved
And love the way I should
Life's about
Life's about to get goodOh, life's about to get good
Oh, life's about to get good
Oh, life's about to get good
The longer my tears fell, the wider the river
It killed me that you'd give your life to be with her
I had to believe that things would get better
It was time to forget you, foreverOh! Life's about joy
Life's about pain
It's all about forgiving and the will to walk away
I'm ready to be loved
And love the way I should
Life's about
Life's about to get goodOh, life's about to get good
Oh, life's about to get good
Oh, life's about to get goodOh, life's about to get good
Oh, life's about to get good
Oh, life's about to get good
It took me so long to be strong
But I'm alive, and I hold on
To what I can feel, It hurts to heal
Oh, when love lies
About to get good
About to get good
About to get... AhhhOh! Life's about joy
Life's about pain
It's all about forgiving and the will to walk away
I'm ready to be loved
And love the way I should
Life's about
Life's about to get goodOh, life's about to get good

Oh, life's about to get good
Oh, life's about to get goodOh, life's about to get good
Oh, life's about to get good
Oh, life's about to get goodOh! Life's about joy
Life's about pain
Life's about, life's about to get good
