

# Day Tripper

[Nancy Sinatra](#)

Got a good reason  
For taking the easy way out  
Got a good reason  
For taking the easy way out, nowHe was a day tripper  
One way ticket, yeah  
It took me so long  
To find out, and I found outHe's a big teaser  
He took me half the way there  
He's a big teaser  
He took me half the way there, nowHe was a day tripper  
One way ticket, yeah  
It took me so long  
To find out, and I found outI tried to please him  
He only played one night stands  
I tried to please him  
He only played one night stands, nowHe was a day tripper  
Sunday driver, yeah  
It took me so long  
To find out, and I found outDay tripper, yeah  
Some timer  
Day tripper, yeah  
One nighterDay tripper, yeah  
And he is a day tripper, yeah  
Day tripper, yeah  
Day tripper, yeah
