I'll Never Know

Tim Finn

T. FinnStairway to hell
If we believe
The stories they tell
On tvOh Oh Oh
I'll never know
What came over me
I only know
Is that you show me how to live differentlyI'll never know
What came over me
But I'll prove this world is wrong
What good is it
Material games
What can we do
To relieve your painOh Oh Oh
I'll never know
What came over me
I only know
Is that you show me how to live differentlyI'll never know
What came over me
But I'll prove this world is wrongI only want to be with you
And we can prove this world is wrong
And we can prove this world wrong
I'll never know
What came over me
I only know
Is that you show me how to live differentlyI'll never know
What came over me
I only know
Is that you show me how to live differentlyI'll never know
What came over me
But I'll prove this world is wrongWe can prove this world wrong
