

Everybody Needs Somebody to Love

Wilson Pickett

I'm so glad to be here tonight
I'm glad to be in your wonderful city
And I got a little message for you that a friend of mine told me a few months back
I'm talking about brother Solomon Burke, y'all know him don't you?
These are the words he told me, childrenEverybody needs somebody
Everybody needs somebody to love
Someone to love
Sugar to kiss
Sweetheart to missAnd I need (you, you, you)
And I need (you, you, you)
In the morning, when the sun comes down, ain't nobody else aroundOh, sometimes I feel, I feel a little sad inside
My baby mistreats me, I never-never have a place to hide
And I need (you, you, you)
Someone to see me through
Someone to hold my hand
Try to make me understand, hey
