

# Cry From The Street

David Gilmour

Black shadows dance  
Beyond the neon glow  
There's rumors in your head  
And just one way to go Oh, so tight  
It makes your blood run cold  
The way is blind  
Try to save your soul Don't even pray  
Just cry from the street It's fine as you leave  
The one they keep at home  
So you love someone  
That you thought you owed You know it's a crime  
But what can you do?  
That's the price you pay  
With each turn of the screw But don't pay no mind  
Just cry from the street You really love the night  
Even though you're alone  
It's such a cryin' shame  
That things are so wrong It's the sign of the scream  
That it blinds your feet  
I guess the chance is ours  
You wish to stay and sleep But don't even pray  
Just cry from the street
