

Can't Stop Dreaming

Daryl Hall

Dreamin on... Oh everything about you..
You've got to know, the fire inside that you created. Started out slow burnin' for you baby...
I didn't notice all the change you made in me...
The turn around what I felt before and more...
How about you baby? There is not a night gone by, without your picture playing in my mind.
Give up the lovin, Make the dream come alive...

Chorus:

Cause when I feel you so near I can't let go
And I can't stop Dreamin' Ohhh
And I can't stop Dreamin' about you
And I can't stop Dreamin' Oh no
And I can't stop Dreamin' about you You've got the power that I could not appreciate
How my desire could play with my emotions
Down in my heart, how much longer can I wait?
Cause when I feel you so near I can't let go. Chorus:
Cause when I feel you so near I can't let go
And I can't stop Dreamin' Ohhh baby
And I can't stop Dreamin' about you
And I can't stop Dreamin' Every night
And I can't stop Dreamin' about you And the more and more I try to fight how much I'm wanting you...
The greatest thing your love can bring is showing me that dreams can come true
Yes they do... yes they do Dream.. you got me dreamin' dreamin' never never want to stop
And I can't stop Dreamin' Ohhh baby
I can't stop Dreamin' about you
I can't stop Dreamin' you're always on my mind Now listen... no matter what I do
no matter how I try ..
I'm swearin' baby I
Can't stop dreamin' about you
Everyday... always
Well I can't stop at all...
never never never never gonna stop dreamin'
You're always on my mind... no matter how hard I try
And I can't stop dreamin' about you girl
I want to touch you babe, I want to feel you babe,
I want to love you babe, I want to hear you screamin' "Always always and forever..."
