lives that don't exist

ana popovic music publishing - ascap
buma - ascap /delta groove productions publishing - ascapsweet sweet unbearable lives that don't exist
how you do with attention?
how you do with fame?
when spot-lights keep you
unamused just the same
how do you learn the rules
of a game you can't resist
sweet sweet unbearable
lives that don't exist
i make you or break you
like they even care
wanna be out in 10 seconds
try playing it fair
a full color front page photo
who'll refuse to stare
blame it on a gossip channel
wishing you were there
saying:
lives that don't exist
lives that don't exist
make the most of it now
rocks are only fair
up close, cribs and rides
let the people stare
hey look at you now
in your gucci stun
your illuminated privacy
guarded with the guns
saying:
lives that don't exist
lives that don't exist
if you wanna know the price
of an unpredictable life
being daily spotted, filmed and traced
cuts you like a knife
full color front page photo
who'll refuse to stare
blame it on a gossip channel
wishing you were there
sayin' lives that don't exist
lives that don't exist
