

Silence Is A Gun

The Mary Onettes

I can be the first in your soul
Pulling out a tune, never show
Let everybody know what you've been
You know what you can take, silence is a gun
When your eyes only see what you feel
Bring it back, the faults to your soul
And go easy, feels too hard at times
But you know what you can take, silence is a gun
Fear is alive for you to run with
Fear is alive for me to cope with
There's a sign to be too weak and
There's a stranger in your eyes
There's a stranger in your eyes
So, there's a silent beating
There's a goal for everyone, I know
Fear is alive for you to run with
Fear is alive for me to cope with
There's a sign to be too weak and
There's a stranger in your eyes
When you go, when you go
You have it all, inside you're tough
When you go, when you go
You have it all, inside you're tough
There's a stranger, there's a stranger in your eyes
Fear is alive for you to run with
Fear is alive for me to cope with
There's a sign to be too weak and
There's a stranger in your eyes
