

# Lights Out

[Rick Astley](#)

On the empty streets of this nowhere town  
The melting shadows fade  
And the dark is creeping up on me again  
In between these sheets were I laid you down  
I try to find some rest  
So I reach out for the switch, but why pretend?  
Cause I can't turn the lights out now  
I see your face  
No I can't turn the lights out now  
My heart will break  
Cause everything I see will end up killing me  
All over, all over again  
So I can't turn the lights out  
Turn the lights out  
(Turn the lights out)  
There's a clock that stopped ticking by the bed  
The second you were gone  
And it feels just like my heart stopped beating too  
Cause it's hard to keep those promises  
I made when I was strong  
Now I'm haunted by the ghost of you  
And I can't turn the lights out now  
I see your face  
No I can't turn the lights out now  
My heart will break  
Cause everything I see will end up killing me  
All over, all over again  
No I can't turn the lights out  
Turn the lights out  
(Turn the lights out)  
It's so hard holding on  
It's so hard that you're gone  
It's so hard holding on  
Don't you know?  
Don't you know?  
I can't turn the lights out now  
I see your face  
No I can't turn the lights out now  
My heart will break  
Cause everything I see will end up killing me  
All over, all over again  
So I can't turn the lights out  
Turn the lights out  
(Turn the lights out)  
So I can't turn the lights out  
Turn the lights out  
(Turn the lights out)
