

Gloria Leonard

Lambchop

You crawled away from me
Slipped away from me
I tried to keep a hold
But there was nothing I could say You slid and crept away
And there was nothing I could say
So what you're trying to say
Is you don't wanna play But what you want and what you need
Doesn't mean a fuck to me
Because I can see your back is turning
If I could I'd stick the knife in This is love
This is my love for you
Get up now
Say, you won't go
