

# How Do You Speak to an Angel?

[Dean Martin](#)

How do you speak to an angel?  
I'm completely in the dark  
When you know that you've just met an angel  
Is there a proper remark? We were alone for a moment  
Why was I lost in a cloud?  
Do you speak to an angel in a whisper  
Or do you just say I love you out loud? We were alone for a moment  
Why was I lost in a cloud?  
Do you speak to an angel in a whisper  
Or do you just say I love you out loud?
