The Wrong Child

R.e.m.

I've watched the children come and go
A late long march into spring
I sit and watch those children
Jump in the tall grass
Leap the sprinkler
Walk in the ground
Bicycle clothespin spokes
The sound the smell of swingset hands
I will try to sing a happy song
I'll try and make a happy game to play
Come play with me I whispered to my new found friend
Tell me what it's like to go outside

I've never been

Tell me what it's like to just go outside

I've never been

And I never will

I'm not supposed to be like this

I'm not supposed to be like this

But it's okay

Hey, those kids are looking at me
I told my friend myself, those kids are looking at me
They're laughing and they're running over here
They're laughing and they're running over here

What do I do?

What can I do?

What should I do?

What do I say?

What can I say?

I said I'm not supposed to be like this Let's try to find a happy game to play Let's try to find a happy game to play I'm not supposed to be like this But it's okay, okay
